RE: Thank You Letter

It is with GREAT pride and excitement that I address you today as your reigning **MISS UTOPIA® 2011!!!** I am not only excited to be wearing this crown, but I am also excited about what this crown stands for and the plans of The MISS UTOPIA® Organization under the direction of its Founder and President, Mr. Carlos Davis. I plan to work very hard over the next year to embrace the Core Values of this organization and help spread the word that this title is more than just another crown-it is a position within an organization that has a purpose with boundaries that reach farther than any other National title associated with the art of female impersonation.

I have so many people to thank for helping me reach this goal (**MISS UTOPIA® 2011**). While I cannot name them all, there are some I do have to mention: Please allow me to start with Mr. Carlos Davis, Founder and President of The MISS UTOPIA® Organization, and his Board of Directors. Thank you for organizing and producing the **MOST** professionally run pageant that I have ever participated in. I also THANK YOU for accepting me into your organization and I look forward to working with you during the next year to help you expand and reach the goals that you have in mind for this organization. I also want to thank **Mr. Don Newman**, my partner and soul mate for more than **31 years**, for his continued love and support. I could not have done this without him. Of course I have to thank **GOD** for giving me such a loving and supporting family and the numerous friends and fans that have always been there for me throughout my career.

The official MISSION of The MISS UTOPIA® Organization is **"To Champion the Quality of LIFE for ALL HIV(+) positive and AIDS survivors."** It is with GREAT PASSION that I support this official mission and I pledge to work hard during my reign to bring this mission to light as I travel across the Country. I will strive to live by the Core Values of this prestigious organization and make all of my supporters, as well as The MISS UTOPIA® Organization Officers, proud of me and my reign as **MISS UTOPIA® 2011.**

P.S. **Stay TRUE to who you are!!!!**

**With LOVE and RESPECT,
Ms. Ginger Manchester
